

# Fiber Optic Connector Adapters

[www.vpi.us/c/fiber-optic-connector-adapters-398](http://www.vpi.us/c/fiber-optic-connector-adapters-398)

## LC Female to SC Male Simplex Singlemode Fiber Optic Adapter

**FIBER-AD-SS-LCFSCM**

- Female LC to male SC simplex 9/125-micron singlemode hybrid fiber optic adapter.
- Low insertion loss.
- Plastic body provides a lightweight, yet durable, solution.
- Ceramic ferrules for long-lasting reliability and precision.
- Included connector covers keep out dust and contaminants.
- RoHS compliant.

## LC Female to ST Male Simplex Singlemode Fiber Optic Adapter

**FIBER-AD-SS-LCFSTM**

- Female LC to male ST simplex 9/125-micron singlemode hybrid fiber optic adapter.
- Low insertion loss.
- Ceramic ferrules for long-lasting reliability and precision.
- Included connector covers keep out dust and contaminants.
- RoHS compliant.

## LC Female to ST Male Simplex Multimode Fiber Optic Adapter

**FIBER-AD-SMx-LCFSTM**

- Female LC to male ST simplex multimode hybrid fiber optic adapter.
  - FIBER-AD-SM1-LCFSTM: OM1 62.5/125-micron
  - FIBER-AD-SM2-LCFSTM: OM2 50/125-micron
- Low insertion loss.
- Ceramic ferrules for long-lasting reliability and precision.
- Included connector covers keep out dust and contaminants.
- RoHS compliant.

## ST Female to SC Male Simplex Singlemode Fiber Optic Adapter

**FIBER-AD-SS-STFSCM**

- Female ST to male SC simplex 9/125-micron singlemode hybrid fiber optic adapter.
- Low insertion loss.
- Plastic body provides a lightweight, yet durable, solution.
- Ceramic ferrules for long-lasting reliability and precision.
- Included connector covers keep out dust and contaminants.
- RoHS compliant.

## ST Female to LC Male Simplex Multimode Fiber Optic Adapter

**FIBER-AD-SM-STFLCM**

- Female ST to male LC simplex OM2 50/125-micron multimode hybrid fiber optic adapter.
- Low insertion loss.
- Ceramic ferrules for long-lasting reliability and precision.
- Included connector covers keep out dust and contaminants.
- RoHS compliant.

## SC Female to LC Male Simplex Singlemode Fiber Optic Adapter

**FIBER-AD-SS-SCFLCM**

- Female SC to male LC simplex 9/125-micron singlemode hybrid fiber optic adapter.
- Low insertion loss.
- Ceramic ferrules for long-lasting reliability and precision.
- Included connector covers keep out dust and contaminants.
- RoHS compliant.
