APPLICATIONS

- Retail signage
- Airport displays
- Control rooms
- Security monitors
- Video production
- Corporate communications
- Educational presentations
- Medical supervision
- ... and many more!

WHY SWITCH TO HR-4P?

HR-2P is a powerful 2-port HDMI signal switching solution designed for simple set-up and easy operation. Equipped with two HDMI inputs and one HDTV-ready output, HR-2P switches between source signals at the press of a button. HR-2P is compact and plug-and-play ready, so installing it into an existing AV set-up is always simple!
